## NOTICE: Bonita Ave./Cataract Ave. Intersection & Bridge Construction

### CONSTRUCTION ACTIVITIES WILL OCCUR AT THE RAILROAD CROSSING ON BONITA AVE. & CATARACT AVE. (SAN DIMAS)

#### CONSTRUCTION ACTIVITY

As part of the Foothill Gold Line light rail project, KPJV will be reconstructing the Bonita Ave./Cataract Ave. intersection, realigning the street and at-grade (street-level) crossing for the freight track, and building a bridge over the intersection for the new light rail system. To reduce construction impacts, KPJV will use a 15-month Phased construction plan that will maintain traffic on Bonita Ave. until Phase 4 (see below). Work will take place continuously during daytime hours and additional notices will be distributed prior to the start of Phases 3 and 4.

#### WHEN

All Phases currently anticipated completed under daytime working hours: 7:00 AM - 9:00 PM. NOTE: Occasional longer work hours and construction on Sundays may be performed during the 15-month period.

- **Phase 1:** Ongoing now thru mid-June 2021 - Construction of the realigned eastbound Bonita Ave. lanes.
- **Phase 2:** Mid-June thru September 2021 - realignment of the traffic on Bonita Ave.
- **Phase 3:** September 2021 thru June 2022 - Full closure of Cataract Ave (with exception of E/B Bonita to S/B Cataract movement). A separate notice will be distributed ahead of Phase 3 starting.
- **Phase 4:** June 2022 thru August 2022 - Full Intersection Closure (Bonita Ave./Cataract Ave.) for two months. Access to downtown businesses maintained via detour. A separate notice will be distributed ahead of Phase 4 starting.

#### WHERE

Construction activities will take place in Phases at the Bonita Ave. and Cataract Ave. intersection during the 15-month period. Traffic movement impacts are based on the Phase of construction underway (listed below).

#### TRAFFIC ADVISORIES

The phasing below explains the anticipated roadway impacts (illustrations on back side for Phase 2):

- **Phase 1:** Current condition with all traffic and pedestrian movements maintained, operations taking place only within lot on southeast side of Bonita Ave./Cataract Ave. intersection.
- **Phase 2:** Bonita Ave. traffic realigned. All traffic and pedestrian movements maintained (see illustration).
- **Phase 3:** Cataract Ave. fully closed for 9 months (E/B Bonita Ave. to S/B Cataract Ave. turn movement remains open).
- **Phase 4:** Full intersection closure for 2 months. Access to downtown businesses maintained via detour.

Notes: Bridge construction will start in Phase 2 and continue beyond Phase 4 of the traffic control and will not require additional full closures of Bonita Ave. & Cataract Ave. Monte Vista Ave. will remain open during all four Phases of roadway construction. Additional construction notices will be distributed prior to the start of Phases 3 & 4.

#### WHAT TO EXPECT

- Typical noise from construction equipment will be produced near the active work zones such as construction vehicles.
- Foothill Transit Line 492, stops at EB/WB Bonita Ave./Cataract Ave. will be temporarily relocated, for more information:

## PHASING PLAN TRAFFIC ADVISORIES

This phasing shows roadway construction and does not include all bridge construction at Bonita Ave./ Cataract Ave. Crossing construction for the Bonita Ave./ Cataract Ave. intersection is currently broken down into four phases:

**Phase 1:** Current condition with all traffic and pedestrian movements maintained, operations taking place only within lot on southeast corner of Bonita Ave./ Cataract Ave. intersection.

**Phase 2:** Bonita Ave traffic realigned. All traffic and pedestrian movements maintained (see illustration).

**Note:** Bridge construction will start in Phase 2 and continue beyond Phase 4 of the traffic control and will not require additional full closures of Bonita Ave. & Cataract Ave. Monte Vista Ave. will remain open during all four phases of roadway construction. Additional construction notices will be distributed prior to the start of Phases 3 & 4.
