July 1, 2021

Dear Residents and Business Owners,

Doty Brothers, a contractor for Southern California Edison (SCE) will be working to upgrade SCE subsurface infrastructure in your area. The work will impact White Ave. between College Lane and 1st St. Traffic control will be in place around the construction area, at the north of College Lane and South of 1st St

Construction is scheduled to start July 06, 2021 and end on December 30, 2021. Working hours will be Monday to Friday between the hours of 7:00am to 3:30pm. This work is under an approved City of La Verne permit# 4303 and permit# 4519 and will be inspected by a Public Works Inspector.

Construction will consist of saw cutting the street, removing asphalt, installing SCE substructures, installing conduit, and restoration of the street. Please expect to see contractor trucks and other related equipment in the area.

Please use caution when driving near the construction area and obey all construction signs, including the temporary "No Parking" signs.

Thank you for your cooperation and patience during construction. We will make every attempt to accommodate local residents and businesses to reduce any inconvenience you may experience.

If you have any questions, please call Project Superintendent: Jay Palomares (562) 413-7451.

Sincerely,

Jay Palomares, Superintendent
