

Daytime Freight Train Testing GLENDDORA, SAN DIMAS, LA VERNE, & POMONA SATURDAY, JANUARY 25, 2025 (ONE-DAY ONLY)

CONSTRUCTION ACTIVITY

Active train testing of the freight system will take place this coming Saturday, for one-day only, beginning at Lone Hill Ave. in the City of Glendora, running east through the Cities of San Dimas and La Verne ending at Garey Ave. in the City of Pomona. The trains will be making multiple trips at approximately 20 MPH within this part of the corridor throughout the day, expect delays. Flaggers will be onsite to direct thru traffic at the grade crossings throughout the testing period.

WHEN

Active Freight Train Testing will occur during daytime hours on Saturday, January 25th as follows:

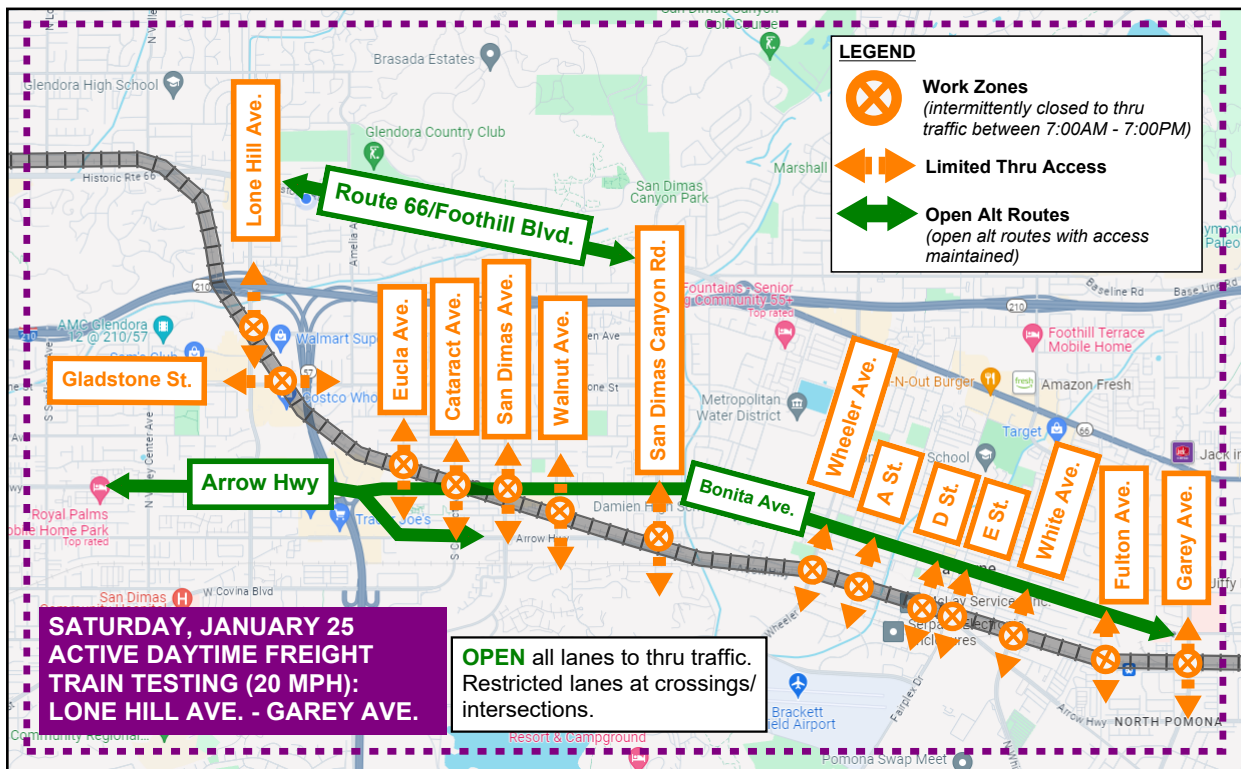

- **Saturday, January 25th (Glendora, San Dimas, La Verne, & Pomona):** Train testing (20 MPH) between Lone Hill Ave. and Garey Ave. Daytime testing hours: 7:00 AM - 7:00 PM (longer hours may be needed)

TRAFFIC ADVISORIES

- **The freight train will be running at approximately 20 MPH during the daytime hours listed above.**
- Crossing gate arms will drop throughout the work shift when testing is taking place.
- Vehicular and pedestrian traffic will be stopped when gates are down and resume as normal once gate arms are raised.

NOTE TO RESIDENTS

- Freight trains are required to blow their horns at all crossings during the testing period.
- Never walk on the train tracks or go around the lowered gates. Always follow all safety instructions.
- Obey all warning signs and watch for trains from both directions.
